EXPERIENCE & EXPERTISE

Our Litigation & Dispute Resolution Practice has an impressive track record for successfully representing clients before civil and administrative courts and regulatory authorities.

We have wide ranging experience and expertise across our key industry sectors and are skilled in all forms of dispute resolution including, litigation; arbitration; ADR; corporate governance advice and investigations; Agency litigation.

We handle litigation and arbitration involving a wide variety of issues, such as technology disputes, product liability and consumer protection, data privacy and security, antitrust/competition, intellectual property, and general commercial disputes. We provide specialist advice across a range of areas including telecommunications; media; technology; energy; construction; fraud and investigations; administrative law / public law; health and safety.

We are particularly strong in:

- Technology Disputes
- Telecommunications & Technology Litigation
- Media, Social Media & Entertainment Litigation
- Data Privacy and Data Security / Cybersecurity Litigation
- Crisis Management, Agency and Regulatory Litigation
- Intellectual Property Litigation
- Administrative and Public law Litigation
- Government Contracts Litigation
- Antitrust / Competition Litigation
- General Commercial Litigation / Consumer Protection and Product Liability Litigation

EXPERIENCE & EXPERTISE

At the same time, we recognise that not all disputes need to lead to litigation or arbitration proceedings. To reduce litigation risk, we develop compliance programs and provide training. We also advise on pre-litigation strategy and ensure that as a dispute progresses, a strategic perspective is always maintained.

Our approach is to be flexible, pragmatic and transparent in order to satisfy our clients' expectations on costs and timing as well as quality of advice. At the end of the day, a law firm is only as good as the results it obtains for its clients. The key to litigation success is to have the experience and talent to take cases to trial, if necessary, and win.

In sum: Our Litigation & Dispute Resolution Practice responds to clients' needs in a broad range of issues, including:

- Technology Disputes
- Telecommunications Litigation
- Media, Social Media & Entertainment Litigation
- Data Privacy and Data Security / Cybersecurity Litigation
- Consumer Protection and Product Liability Litigation
